Re: Diligence Claim #97-1984

Dear Kerry:

We would like to submit an amendment to diligence claim #97-1984 to show two points of diversion rather than one. Please refer to the enclosed map. The first diversion is approximately 1320 ft. south and 300 ft. east from the NW corner of Section 7, T33S, R1E. The second diversion is approximately 1000 ft. east and 300 ft. south of the NW corner of Section 7, T33S, R1E. Both of these water sources meet at a point into our diversion structure.

Please contact me if you need more information or have questions at (435) 826-4657.

Sincerely,

Dal Liston

DAL CALLED ME ABOUT THIS. I TALKED TO HIM IN OUR OFFICE. HE DIDN'T TAKE A POSITION EITHER WAY ON THIS CLAIM, SO I DIDN'T THINK A CITATION APPLIED. HE COULD BE CONSIDERED. SO, HE OPTED TO FILE THIS AMENDMENT SO THAT THE "WATER RIGHT" IS CONSISTENT WITH THE SPECIAL USE PERMIT BEING ISSUED THEREAFTER THE USES. I HAVE

AMENDED THE DATABASE PER THIS INFORMATION. IS THAT APPROPRIATE??
